

The World's
Best-Tasting Popcorn.
It's All We Do.

NAKSPAK[®]

**The all-in-one, easy to use,
no mess popping kit.**

NaksPak is the perfect solution for every popcorn maker, whether it's for an office break room, a little league concession stand or a school event. NaksPak comes ready to use – no measuring, no mess, no fuss. Just add the pre-measured ingredients into the kettle and let 'em pop. You get large, perfectly delicious, fluffy butterfly popcorn every time – without much training, added inventory or quality issues. So if you're looking for an easier way to add profit to your concessions, or just an easier way to make popcorn, NaksPak is the answer.
